EXPERIENCE

- ❖ **WordPress Developer at Seamless Distribution System** *(Aug '20 - Sep '23)*
Provided end-to-end WordPress solutions for clients. Worked on customization of plugins and themes. Dealt with emergency WordPress critical security issues. Handled web hosting, domain registration, and server management for clients. Mentored interns and assigned tasks to teammates.
- ❖ **Freelance WordPress Developer** *(Sep '23 - Present)*
Worked with 6 clients and helped them with WordPress installation, and eCommerce setup using woo-commerce and other plugins. Designed important pages using Elementor and WPbakery.

PROJECT

- ❖ **E-commerce Site Using Woocommerce.**
Created many e-commerce sites for jewelry, health, and personal shops using themes like Woodmart, etc. Also designed a personalized home page.
- ❖ **SEO Optimized Blogging Sites.**
Created a tech blog and took that to 200k+ readers per month.

Hobbies and Interests

- ❖ **Cricket and Geopolitics**
Have been playing cricket since my childhood and it is my favorite sport. I love reading about geopolitics and following geopolitics experts like John Mearsheimer.
